

Technology Support Stations:

Any family or student can go to any school to get assistance from a support specialist at the Technology Support Stations on the days, times and locations listed in the table below. The stations are located at particular schools on specific days of the week to accommodate as many families as possible at their home schools. If a family needs assistance on a day a station is not at their school, they are free to go to a location where one is operating. Families may also call the school office for help on digital applications or questions on how to use their devices and access the JPC HelpDesk at [360-313-5400](tel:360-313-5400) if their device is not working.

School	Monday	Tuesday	Wednesday	Thursday	Friday
Elementary Schools
